Year 8 Subject Selection for Stage 5

For Year 8 students and their parents.

Recognition of Student Achievement RoSA

A Record of School Achievement (RoSA) is:

- awarded to students who leave school after Year 10 and before completing the HSC**
- a cumulative credential – it records academic achievement up until the date a student leaves school**
- based on moderated, school-based assessments – not external tests**

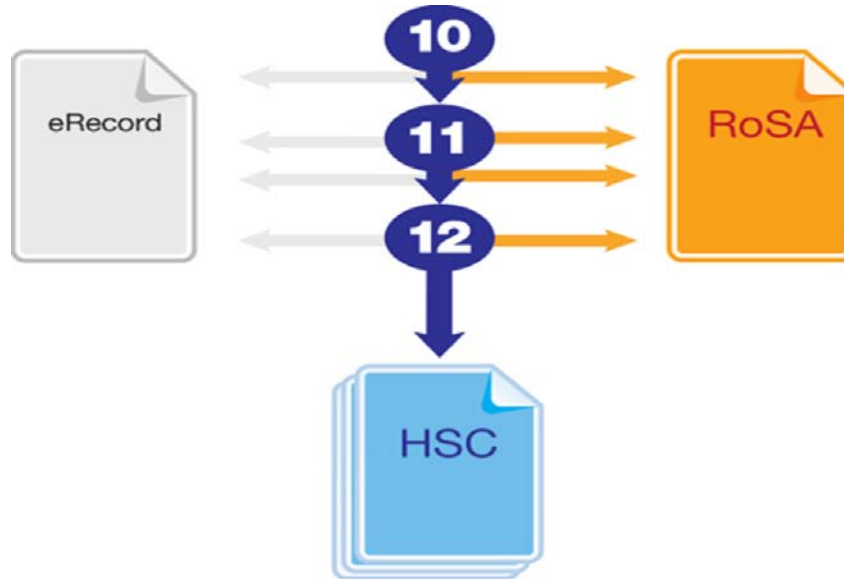

The big advantage of the RoSA is that it is **cumulative**.
It shows a comprehensive record of academic achievement through Stages 5 and 6.

This includes:

- **completed courses and the awarded grade**
- **courses a student has participated in but did not complete before leaving school**
- **the date the student leaves school.**

Record of School Achievement (RoSA) is only available to students after they leave school.

Stage 5 Elective Courses

Course Selection Considerations

- Abilities
- Student Interests and Motivation
- Career aspirations ??

Stage 5 Elective subjects at Asquith Boys High

Year 9 and Year 10 are combined to study elective subjects.

- This enables the school to offer a wider variety of subjects to our students, by combining small numbers of Year 9 and Year 10 to create a class of a viable size.
- In most elective classes there will be both Year 9 and Year 10 students studying the same content
- Hospitality classes are Year 9 only or Year 10 only
- In Year 10, Industrial Technology continuers classes are Year 10 only

In Year 10

This time next year students in Year 9 will be selecting their electives for Year 10.

- **If you like an elective that you chose in Year 9 you can choose to continue it into Year 10.**
- **If you do not want to continue with an elective you can choose a different one.**

Types of Elective Courses

Board Developed Courses	School Developed Courses
Most of the elective courses at Asquith Boys are Board Developed courses	We refer to these courses as “Interest only” courses
Are reported on the RoSA as either a 100 hour course (studied for one year) or a 200 hour course (studied for 2 years)	A school report will be issued regarding “Interest only” courses
A course grade from A to E is reported on the RoSA	These courses DO NOT appear on the Students RoSA

SATISFACTORY COMPLETION OF A COURSE

- Students must:
 - **follow the course** developed or endorsed by NESA
 - **apply themselves** with diligence and sustained effort to the set tasks and experiences provided in the course by the school, and
 - **achieve** some or all of the course outcomes
- VET Board Developed Courses require students to complete **mandatory work placement**

Languages

- The only language course being offered at ABHS for Stage 5 is the **LOTE Taster** course
- Students will study French for one semester and German for the other semester
- One year of study = Interest only course (Not recorded on RoSA)
- Two years of study = French (100 hours) plus German (100hours)

Languages continued

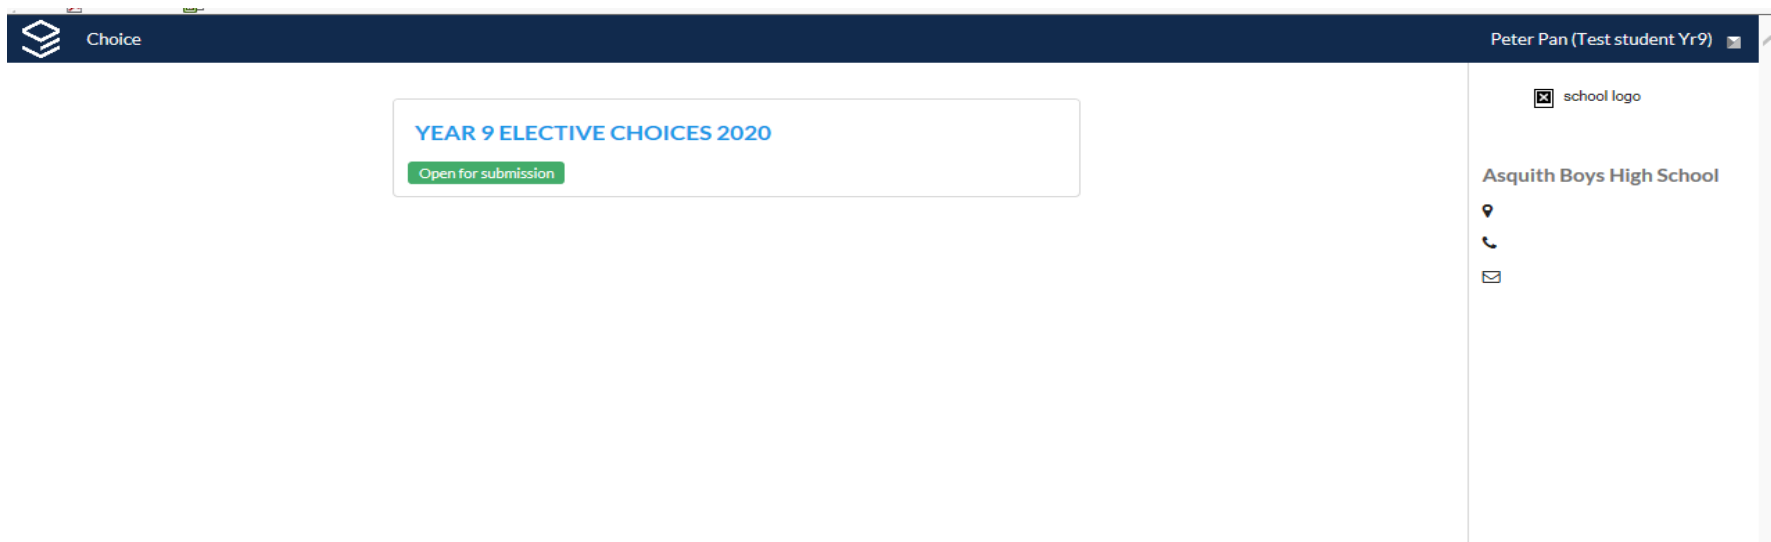

- **Students may be eligible to apply to study other language courses through either:**
 - Saturday School of Community Languages**
 - or**
 - NSW School of Languages**
- **See Mrs Laffer for further details.**

How do students select subjects for Year 9?

How do students select subjects for Year 9 ?

- All subject selections will be completed online from this year.
- The web link and web code needed to select make subject choices will be emailed to parents tonight following this presentation.
- Any problems with the email, contact Mr Hoareau or myself.

Step 1: Using the link emailed to parents, log on to Edval choice and choose **Year 9 Elective Choices 2020**

The screenshot shows the Edval Choice website interface. At the top left, there is a logo and the word "Choice". At the top right, the user is identified as "Peter Pan (Test student Yr9)". The main content area features a large blue box with the text "YEAR 9 ELECTIVE CHOICES 2020" and a green button labeled "Open for submission". On the right side, there is a sidebar with a "school logo" placeholder, the school name "Asquith Boys High School", and icons for location, phone, and email.

Step 2: Read the 'notes' and 'rules'

Finally...

- **Don't rush to complete your subject selection.**
- **Get lots of advice and think carefully about your selections.**
- **This process is about working out which classes we need to run, so everyone's choices will be treated equally.**

Go to the school's website for a FULL copy of tonight's presentation. (Available from tomorrow)
