

Canteen Online Orders Closed Week 5 (only)

Please be advised that the school canteen will be closed for online ordering from Monday 11 to Friday 15 November, however, over the counter ordering will still be available.

Breakfast Club – Volunteers Urgently Required

Breakfast Club has been a long running program at Asquith Boys High School, where volunteers have provided toast to our many hungry students before school.

Any parent who can find the time and would like to volunteer to support our breakfast club on a weekday morning from 7.45 to 8.45am, please contact our Student Wellbeing Officers, Erin Mulvey or Aden May, through the school by email or phone, to express your interest and availability for this program. We *urgently* require volunteers to ensure that the program can operate daily.

Parental Notes – Early Leave – Sporting Byes

In relation to all student notes regarding early leave and/or uniform, it's important that you ensure that notes are presented by your son to the Administration Office **before school** in the morning. While there can be extenuating circumstances from time to time, and with respect to specialist appointments, the acceptable and expected practice is that any student in this circumstance must present their notes to reception before the start of period 1. ***Dentist and General Practitioner appointments should be made outside school hours, and where students may have a bye for sport, they are required to remain at school for training.*** Your ongoing assistance with this is greatly appreciated.

Programs offered for students at Asquith Boys High School on a weekly basis:

A reminder to all students who are unsure about how to begin or complete any of their assessment tasks, or how to prepare for an up-and-coming examination, is well advised to attend one or more of the following outlined sessions for assistance that they need.

THANK YOU!

Thank you to everyone who responded to our request for donations of Lego, we really appreciate it.

On Thursday 31 October, we had our first Lego Club meeting. Students were invited to come to the Library at lunchtime and get creative with Lego. We are looking forward to meeting each Thursday and working on some challenges together.
