#### **OPEN DAY MEETING ROOM DISPLAYS**

One of the 'must visit' places for former students and former staff will be your Decade Meeting Room, on Open Day. Here you will be able to record your visit, and thus assist with that chance of an unexpected meeting with an old schoolmate on Open Day, meet known former schoolmates and teachers, and view displays of photos and memorabilia. Your 'Room' will be located on the top floor of E Block, above the School Library.

Parents of current students have held several working bees recently, at the School, to review and restore existing photo displays, and to prepare new displays. These photos will feature in the Decade Meeting/Display Rooms, on Open Day.

#### PHOTOS FOR OPEN DAY & 50TH ANNIVERSARY SOUVENIR DVD

Have you started to look for that shoebox of old photos? If you think it might hold one or two of your old School Photos, now is the time to dig it out. If you can scan them and email in, or post them on CD please do. This will enable them to be printed out and included in your groups Decade Display. As on the 40<sup>th</sup> Birthday Open Day, a Scanning room will be available on Open Day. Having your photos scanned on Open Day will have them digitised for you, and ensure they can be shared with your classmates who may have mislaid theirs. A CD will be produced of the scans, and available, packaged with the 50<sup>th</sup> Anniversary Souvenir DVD, by the end of the year.

At this stage, preparation, recording of new material, editing of archival video is well under way for the production of the 50<sup>th</sup> Anniversary DVD item. Documentation of the School's 50<sup>th</sup> Year will feature prominently in the contents, including highlights from the weekend of celebration on 14<sup>th</sup>, 15<sup>th</sup> 16<sup>th</sup> May 2010. School students in the Year 8 Journalism class are being trained to work in small recording/interview teams, working throughout the year. Visitors to the School on Open Day will meet these students, who will be keen to hear your memories. Some student teams will have the role of 'roving reporters', whilst others will operate a more formal interview studio. Other contents to be included in the DVD will be an edited short film from the School' s 40<sup>th</sup> Birthday celebrations in 2000. Three hours of recorded material from School Open Day and the Reunion Dinner, in the School Hall provided the content for this Short Film (running time approx 10 min). Prize winning entries in the School's 50<sup>th</sup> Anniversary Short Film Competition will also feature in the DVD, as will an item on School History. Screening of this 'work in progress' will be available, at the Souvenir stall and at the 50<sup>th</sup> Anniversary Reunion Dinner, on Saturday 15<sup>th</sup> May, where prepaid orders will be taken.

## 2008 NRL Premiers Manly-Warringah Sea Eagles signed and framed Jersey

This piece of memorabilia commemorates the amazing premiership winning Manly Sea Eagles squad of 2008.

The framed jersey is mounted and framed to make an amazing collectors item that will be sure to grow in value and pride in years to come. Show your pride by hanging this at home or at the office. It's sure to make a great gift to a loved one or yourself.

Masterminded by Des Hasler, the Sea Eagles captivated fans and vanquished rivals with a relentless defence and attacking brilliance that rekindled memories of Manly's

great teams of the past. In a triumph that will forever be etched in Rugby League folklore, Steve 'Beaver' Menzies joined some of the game's greatest ever players in farewelling the game with a Grand Final. It's a triumph that will be forever etched in Rugby League folklore.

Jersey will be auctioned at 50<sup>th</sup> Reunion Dinner at Hornsby RSL at approx. 9pm. *This item has a Reserve price.*
