A Message from the Principal

Welcome to your education journey at Asquith Boys High School.

You are very lucky at Asquith Boys High School to be able to undertake such a wide range of subjects throughout Year 7, as this will assist you to ultimately determine what subjects you really enjoy and those that are not to your liking. However, the expectation is that you will work to the very best of your ability in all subjects, in the classroom and at home, throughout Year 7. The best performance that you can achieve is attained through sustained attendance every day and dedication to completing all the necessary tasks effectively.

This booklet is compiled to allow you to plan your study program to effectively prepare for assessment tasks. Remember that homework and class tasks are items that demonstrate your achievement of outcomes. The successful achievement of these tasks is as important in the learning process as the assessment tasks in counting towards your final assessment.

It is important to be aware of all the requirements outlined in this handbook. Discuss your plans with the people whose judgement you trust, including your teachers and parents. Be prepared to undertake the next stage of your learning with determination and a willingness to always work to achieve your personal best.

There is no luck in success only hard work, preparation, planning and a great deal of determination. All any of us expect is that you use your talent to achieve your personal best in 2022 and beyond.

Mr Bryce Grant
Principal
