Information for Enrolments 2026

Dear Parents/Guardians

We have a long tradition of welcoming and enrolling students from the community. In 2026 we will become a co-educational school enrolling girls for the very first time.

Our primary partner schools are Hornsby South, Hornsby North, Hornsby Heights and Mount Colah. However, we have had a long history and association with our now non-local schools, of Asquith, Berowra, Brooklyn, Cowan, Mount Kuring-gai, Normanhurst, Normanhurst West, Waitara and Wideview.

Non-local enrolment applications will be considered to the following criteria:

- Sibling of a student currently enrolled at Asquith Boys High School are prioritised, especially if the school has not achieved its enrolment cap.
- Son, daughter or sibling of a former student of Asquith Boys High School.
- Availability of a subject(s) or combination of subjects that can be met at the new co-education High School, but are not available at other schools.
- Compassionate and/or medical circumstances.
- Proximity and access to the school.
- Structure and organisation of the school.
